

Attitudes to transformation

C-suite personalities

orgvue conducted research in September 2024 to explore senior executives' attitudes to change and risk in relation to organizational transformation. Our research identified **six personalities** among C-suite leaders with differing views on workforce transformation and organizational change.

From the change-sensitive to the change-agnostic, these personality types are quite revealing. Here's what we found...

How Orgvue can help

Orgvue is an organizational design and planning platform that empowers businesses to transform their workforce by understanding the work people do and the skills they have.

Our platform connects strategy to structure, providing clarity of vision, so you can build a more adaptable organization that thrives in a constantly changing world.

The world's largest and best-known enterprises and consulting firms use Orgvue to visualize and model current and future states of the organization and make faster, more informed decisions.
